

## Size 16B Bulkhead mounted housing, with thermo-plastic cover

**Typecode**     H16B-OM-1L-PC  
**ID**             1 007 01 0000442

### Technical Data

#### Product Properties

|                         |                                                                |
|-------------------------|----------------------------------------------------------------|
| Series                  | Size 16B                                                       |
| Mating with             | HE-016, HEE-032, HEEE-040, HD-040,<br>HDD-072, HK-004/0, HSB-6 |
| Housing type            | Bulkhead mounted housing                                       |
| Cable outlets direction | Bottom opening                                                 |
| Locking type            | Single locking lever                                           |
| Cover                   | Yes, Thermo-plastic                                            |
| Installation mode       | Panel mount                                                    |
| Protection Class        | IP65                                                           |
| Impact strength         | IK08                                                           |
| Temperature range       | -40 °C ... 125 °C                                              |
| Standard                | DIN EN 175301-801                                              |

#### Insert

|                  |                            |
|------------------|----------------------------|
| Housing material | Die-cast aluminum          |
| Color            | Gray (RAL 7037)            |
| Latch            | Metal, surface galvanizing |
| Cover            | Polycarbonate, gray        |
| Seal             | NBR, black                 |

#### Commercial data

|                   |       |
|-------------------|-------|
| Weight            | 138 g |
| Packaging unit    | 1 pc  |
| Country of origin | CN    |

### Features

- Die casting of aluminum
- All metal buckle
- Stamping resistance thermo-plastic cover
- Bottom fully open wire opening
- Surface fixed installation
- NBR, black
- Resistant to salt spray
- Approval: UL94-V0
- RoHS-compliant

### Mounting-hole Size
